

TRACKS & TOPICS

ICMMC2021 will be an amalgamation of two different Tracks organized parallel to each other, as listed below, but not limited to:

TRACK 1: COMPUTING

Cryptography and Cyber Security	Fuzzy Logic and Systems
Digital Image Processing	Artificial Neural Networks
Artificial Intelligence	Reasoning Methods
Machine Learning	Data Fusion
Data Analytics	Deep Learning
Data Visualization Techniques	Data Security Methods
Data Quality & Privacy	Social & Web Data Analytics
Big Data Techniques	Big Data Security
Internet of Things	Intelligent Systems
Machine and Deep Learning	Wireless Networks
Green Computing	Mobile, Distributed, and Parallel Computing

TRACK 2: MATHEMATICS (PURE & APPLIED)

Algebra	Information Theory and Signal Processing
Calculus and Analysis	Probability and Statistics
Geometry and Topology	Game Theory
Combinatorics	Operations Research
Logic	Discrete Mathematics
Number Theory	Computer Mathematics
Numerical Analysis	Business Mathematics
Dynamical Systems	Financial Mathematics
Differential Equations	
Mathematical Physics	

IMPORTANT DATES

- ✓ **Paper Submission Deadline: Oct. 30, 2021**
- ✓ **Final Acceptance Notification: Nov. 30, 2021**
- ✓ **Camera Ready Submission: Dec. 15, 2021**
- ✓ **Conference Dates: December 27 - 29, 2021**

SCOPE AND OBJECTIVES

ICMMC2021 provide a platform to the researchers and practitioners from both academia as well as industry to meet and share their experience and knowledge.

It provides opportunities for academicians and scientists along-with professionals, and practitioners from various fields of Mathematics and Computing in a global realm to present their research contributions and views, on one forum and interact with members inside and outside their own particular disciplines. The Conference looks for significant contributions to all major fields of the Computing and Mathematics in theoretical and practical aspects. Authors are solicited to contribute to the conference by submitting articles that illustrate research results, projects, surveying works and industrial experiences that describe significant advances in the both major fields.

AUTHOR(S) GUIDELINES

The Research scholars, Faculty Members of computation and Mathematics colleges/ Institutions, UG/PG students and industrialists are invited to submit full papers for consideration. The research paper must be original and should not have been previously published or under consideration for publication. All accepted papers will be sent for peer review and the corresponding author will be notified of the outcome. Minimum one author should register. Individual registration is mandatory for individual participation certificate.

- ▶ The papers should be in IEEE word format not exceeding 12 pages.
- ▶ The registered paper will be included in the conference proceedings and peer reviewed selected papers will be published in the SCOPUS indexed journals.
- ▶ All the submitted papers shall be plagiarism checked using reputed software.

The journals title we have tied up:

1) Turkish Journal of Computer and Mathematics Education

2) Information Sciences Letters

2nd International Conference For Convergence In Mathematics and Computing (ICCMC) 2021

27th - 29th Dec. 2021

Under The Patronage Of His Excellency
The President Of Jadara University

Prof. Mohammad Taleb Obaidat

The Faculty of Science & Information Technology is organizing the second International conference for convergence in mathematics and computing "ICCMC 2021"

Virtual
Conference

ICMMC2021 Organized By

Faculty of Science and Information Technology
at JADARA UNIVERSITY

ABOUT JADARA UNIVERSITY

I am honored to welcome all of you to Jadara University, which we are proud of, and which we look forward to be a beacon of Education and an icon as a Higher Education provider nationally and globally according to the aspirations of His Majesty King Abdullah II. Jadara University is pursuing now Internationalization within the Strategic Plan 2019-2023. As a result, becomes a national success story, in terms of Rating, Ranking, Teaching, Research, Community Services, Creativity, Innovation, Governance, Leadership, Excellence and Entrepreneurship. Jadara University aims to bring to the market Deliverables of quality such as raising Graduate's competitiveness, quality Education that meets global standards, distinguished learning outcomes and serving national development through an optimal investment of human resources. The University will be a center of bringing to the global market skilled workers armed with education, humanity, good citizenship as well as modern skills. Read more... <http://www.jadara.edu.jo/>

Patron

- Prof. Dr. Mohammed Taleb Obaidat, President of Jadara University
- Dr. Shukri Marashdeh, Chairman of Board of Directors, Jadara University

Conference Chair

- Professor Dr. Raed Hatamleh, Dean - Faculty of Science and Information Technology, Mathematics Dept., JU.
- Associate Professor Dr. Saleh Alomrai, Software Engineering Dept., JU.
- Associate Professor Dr. Belal Batiha, Mathematics Dept., JU.

General Co-chairs

- Dr. Mowafaq Alzboon, Computer Science Dept., JU
- Dr. Emran Aljarrah, Computer Science Dept., JU.
- Dr. Muhyeddin AlQaralleh, Software Engineering Dept., JU.

Keynote Speakers

- Prof. Ts. Dr. Suhaidi B Hassan, Computing, University Utara Malaysia.
- Prof. Dr. Ishak Bin Hashim, Applied Mathematics, Pensyarah University, Malaysia.
- Prof. Mahmoud Abdel-Aty, Mathematics and Information Science, Kenya and Sohag University, Egypt.

Organizing Chair

- Dr. Mowafaq Alzboon, Computer Science Dept., JU
