Research Interests

Dr. Khwaileh's areas of interest encompass various aspects of International Law, International Trade Law, including the WTO, Free Trade Agreements, and economic integration. He also exhibits a keen interest in exploring the legal complexities arising between international law, economics, and politics. His interests extend to disputes settlement and international arbitration, and exploration of the partnership between the public and private sectors as a strategic tool for fostering foreign direct investment.

- I have received the International Macquarie University Research Training Program Scholarship.
- Admitted Lawyer previously worked at law firms and at the legal department of the Jordan Ahli Bank.
- Editor of the Law Journal of the International University of Sarajevo
- Editor at the Cogent Social Science
- Editor at the Cogent Education
