SUMMARY

Master's degree holder in Adult Critical Care with practical, academic, and research experience, complemented by accredited professional training and courses.

EXPERIENCE

CLINICAL INSTRUCTOR & TEACHING ASSISTANT

Mar 2023 – Nov 2024

Jerash University - Faculty of Nursing - Jerash

- Delivered lectures in core nursing courses: Fundamentals of nursing and health assessment (practical course), with integrating evidence-based content, and interactive learning strategies.
- Led clinical instruction for nursing students in hospital settings, to ensure patient safety and clinical competency.
- Participated in developing clinical evaluation tools aligned with national and institutional standards.
- Participated in reviewing and developing the content of preparatory labs in several practical courses to align with accreditation standards.
- Fostered critical thinking, clinical reasoning, and professional behaviour among students.

LECTURER

Oct 2025 – Current

Jadara University - Jordan

- Developed lectures, course materials, syllabi, and assessments.
- Teaching courses including: Fundamentals of Patient Care (theory), Fundamentals of Nursing (theory & practical), First Aid (theory), Safety and Risk Management in Healthcare Facilities (theory), Health Law, Policy, and Ethical Practice (Professional Ethics).
- Participated in departmental meetings and academic committees, including membership in the Research Committee, Student Affairs Committee, Student Disciplinary Committee, and Social Committee, in addition to serving as Head of the Activities and Community Service Committee.
- Organized an Applied Scientific Day to enhance the integration between theoretical knowledge and clinical practice.
- Coordinated and hosted expert speakers for panel discussions, dialogue sessions, and academic seminars for students.

EDUCATION

JORDANIAN | GENERAL SECONDARY EDUCATION CERTIFICATE - SCIENTIFIC STREAM

Scientific Stream | Oct 2018 - Aug 2019

Average: 93.1%

JORDAN UNIVERSITY OF SCIENCE AND TECHNOLOGY (JUST) - IRBID | BACHELOR OF SCIENCE IN NURSING (BSN)

Nursing | Oct 2019 - Feb 2023

- Graduated with an excellent GPA. I gained diverse clinical experience in various departments at King Abdullah University Hospital, including an additional two months of optional independent practical experience.. In addition to accredited experience in independent shifts at the dialysis unit over a period of two and a half months.

THE UNIVERSITY OF JORDAN - AMMAN | MASTER OF SCIENCE IN CLINICAL NURSING - ADULT CRITICAL CARE (THESIS TRACK)

Clinical Nursing - Critical Care (Thesis Track) | Oct 2023 - Jul 2025

- Completed a Master of Adult Critical Care (Thesis Track) with an excellent GPA.
