Education	Degree	Ph.D. in Pharmaceutical sciences BSC & MSC of Pharmacy
	Major	Phytochemistry & Pharmacognosy
	Dissertation title	Pharmacognostic study of flora Jordan & flora Ukraine
Taught courses	❖ Phytochemistry ❖ Pharmacognosy ❖ Phytotherapy ❖ Naturopathy ❖ Pharmaceutical Chemistry ❖ Introduction to Pharmacy ❖ First Aid ❖ General health & Society ❖ Legislation, rules & ethics of Pharmacy	
Field of Research Interests	❖ Phytochemical analysis of herbs ❖ Quantitative & Qualitative analysis of active ingredients ❖ Separation of active compounds ❖ Morphological study of plants	

Moeen Salman

Academic Background :

- ▲ **Ph.D.** in pharmaceutical sciences (2004); National University Of Pharmacy, Kharkov , Ukraine.
- ▲ **Specialty:** Chemistry of Natural Products, Pharmacognosy and Pharmaceutical chemistry.
- ▲ **Masters** in pharmacy (2000); National University of Pharmacy, Faculty of pharmacy, Kharkov, Ukraine.
- ▲ **Bachelor** in pharmacy (1999); National University of Pharmacy, Faculty of pharmacy, Kharkov, Ukraine.

Academic Achievement:

Ph. D.: Pharmaceutical chemistry and pharmacognosy

Patent – State Registration No. 2003109473 / Patent Code: 69626 A

- A method of obtaining a complex of polyphenolic compounds with anti-inflammatory and antioxidant effects.
- Participated with the New Drug in the Governmental Program of Ukraine “Products of Beekeeping for Adults and Children”

Service to the Students/Local Community (e.g. Scientific Field Trips, extension lectures, invited experts, Professor-of-the day etc.):

2014: Scientific Desert Trip for students, Plants belongs to Al Jouf region.

2014: Invited Professors from Hail, Jizan Universities for scientific research.

2013: Awareness lectures for local community about the benefits of Plants containing volatile oil, uses and side effects.

2012: Invited experts from Durham University-UK, W.Shop for Ac. Accreditation.

Work Experience:

Period : Oct. 2023. – Till now.

Employer : Jadara University. Jordan.

Position : Associate Professor-Faculty of Pharmacy

- Phytotherapy.
- Advanced Phytotherapy (For Master degree students).
- Advanced Medicinal Chemistry (For Master degree students).
- Pharmaceutical Chemistry.
- Phytochemistry & Pharmacognosy.

Period : July. 2023. – October. 2023.

Employer : Philadelphia University. Jordan.

Position : Associate Professor-Faculty of Pharmacy

- Biochemistry.
- Clinical biochemistry.

Period : September. 2019. – July. 2023.

Employer : Middle East University. Jordan.

Position : Associate Professor-Faculty: Formulation of Cosmetic & Chemical Products

- Herbs and natural substances in cosmetic products.
- Science of cosmetic formulation.
- Disinfectants and Chemical Cleaners.
- Chemistry of Natural Products & Phytotherapy.
- Advanced Chemistry of Natural Products.
- Biochemistry-Lab.
- Pharmaceutical Microbiology-Lab.

Period : October. 2018. – September. 2019.

Employer : Al-Ahliyya Amman University. Jordan.

Position : Assistant Professor,

- Phytochemistry and Phytotherapy.
- Research projects.
- Toxicology

Period : October. 2017. – 2022

Employer : Member of the United States Board for Education Standardization (USBES)

Position : Evaluation Committee Member. In UAE.

- Carry out routine audit and inspection visits to schools, institutes and universities in the region depending on their profile and USBES's requirements.
- Maintain an audit / inspection report whereas on audit for USBES's cause, so USBES can obtain sufficient information relating to the institute and their operations to determine whether they qualify for the accreditation and its benefits.
- Provide USBES with recommendations of possible institutes in the region, which may be applicable for international certification by USBES.
- Perform additional tasks if required in the region as the acting evaluation committee member.

Period : October. 2015. – August. 2018

Employer : Amreet Trading Company .L.L.C. UAE.

Position : Area Manager. Abu Dhabi

- Scientific research.
- Developing and motivating team members.
- Acting as a customer relationship builder.
- Brand (Drug) Registration. (MOH).
- Quality control.

Period : October. 2014. – September. 2015

Employer : Al-Jouf University. KSA.

Position : Assistant Professor

- Teaching Phytotherapy (Lect.).
- Phytochemistry. (Lect.).
- Pharmacognosy. (Lect. & Lab.).
- Research graduation projects.
- Biology, Anatomy and Physiology.

- Therapeutics, Pharmaceutics I+II
- First Aid and Drug Abuse.
- Pathophysiology & Toxicology
- In charge of Pharmacy Training.
- Supervising (VIVARIUM).

Period : October. 2010. – October. 2014

Employer : Al-Jouf University. KSA.

Position : Head of Department of Pharmacognosy.

- Teaching Phytotherapy (Lect.).
- Phytochemistry. (Lect.).
- Microbiology I+II
- Head of Department of Quality assurance and Academic Accreditation for the college of Pharmacy.
- Pharmacognosy. (Lect. & Lab.).
- Vice president for the committee of curriculum Development in the college of Pharmacy.
- Research projects.
- Establishing Pharmacognosy and Phytochemistry Laboratories.

Period : October. 2008. – October. 2010

Employer : Al-Isra private university. Jordan.

Position : Assistant Professor.

- Supervising graduate students research projects. (11proj.).
- Teaching Phytotherapy (Lect.).
- Teaching Pharmacognosy (Lect. & lab.).
- Phytochemistry. (Lect.).
- Toxicology (Lab.)
- Legislation and Pharmaceutical Ethics.
- Different seminars (other universities).

Period : **January. 2008– August. 2008.**
Employer : chain pharmacies (pharma care). Jordan.
Position : pharmacist. / Assistant General Manager.

Period : **May. 2007– January. 2008.**
Employer : Arab Pharmaceutical Manufacturing (APM) – As Salt. .
Position : Herbal Factory Section Head.

- Supervising research projects.
- In charge of laboratory and equipments.
- Quality control.
- Herbal extraction.

Period : **September–2006.**
Employer : International Hunting &Equestrian Exhibition – Abu-Dhabi.
Position : Consultant.

Period : **June. 2006 – May. 2007.**
Employer : Abba Herbal Cosmetics Factory – Abu-Dhabi. UAE.
Position : Production Manager.

- Supervising research projects.
- In charge of laboratory and equipments.
- Quality control.
- Herbal extraction.

Period : **June. 2005 – May. 2006.**
Employer : Red Star Pharmaceutical Factory – Kharkov. Ukraine.
Position : Drug Quality Control.

- Researcher.
- Good Storage Practice.
- Drug incompatibility.
- Quality Assurance (G.M.P + Q.C).
- Pharmaceutical Analysis.
- In charge of laboratory and equipments.

Period : Sept. 2002 – June 2005.

Employer : Ukrainian Pharmaceutical Academy – Kharkov. Ukraine.

Position : Practical Teacher.

- Teaching PhytoChemistry and Pharmacognosy to 24no's 3rd year (junior) students.
- Meeting with faculty members to update yearly curriculum.
- Supervising postgraduate research projects.
- Student consultation.
- Tutoring pharmaceutical chemistry to students.
- In charge of laboratory and scientific equipments.
- Researcher.

Held at Aljouf University Dec.2012.

Computer Skills:

1. Operating systems and platforms: Linux, DOS, and windows.
2. Advanced Word, Excel, PowerPoint and Outlook.
2. Data analysis, simulation, and graphics.
3. ICDL.

Honors, Awards and scholarships:

1. Jordan Pharmaceutical Association, Reg.No.9439
2. Head of the Quality Assurance Unit (academic accreditation committee) in the college 2010-2014 & Curriculum Development.

Areas of Specialization:

Phytochemistry, Pharmacognosy and Natural Product Analysis
Pharmacological Activity and Toxicity of Medicinal Plants
Medicinal Plants and Natural Products Quality Control

Scientific Interest:

Isolation and Purification of the Bio-active Substances from their Natural Resources.

Study the Pharmacological Activity (Anti-cancer, Anti-Inflammatory, Anti-microbial & Hepato-protective) of the plants.

Organizing of the scientific (Meetings, Symposiums, Conferences, and Workshops) related to the Medicinal Plants & Natural Products.

Studying the Chemical Composition of the (Medicinal plants & the Natural Products).
