

JAAFAR ABU ABEELEH

Irbid, Jordan 1111 | 00962772047577 | ayhamjafar@yhoo.com

Summary

Detail-oriented, highly knowledgeable, and competent 'Clinical Pharmacist' with over 12+ years of experience in GOOD CLINICAL PHARMACY PRACTICE by reviewing patient profiles and prescriptions by medical practitioners, observing its effect to suggest clinical evidence based interventions after assessment of the patients and put the suitable treatment plan according to the patients comorbidity.
Excellent experience in Teaching process in high qualified universities .

Experience

Pharmacist Community pharmacy - Ajloun, JORDAN	Aug 2000 to Apr 2001
Pharmacist King Abdullah University Hospital - Irbid, Jordan	May 2001 to Apr 2002
Pharmacist Royal Medical Services - Amman , Jordan	May 2002 to Dec 2008
Teacher of Pharmacy & Pharm-D Students Alqusour Academy - Irbid, Jordan	Jan 2010 to May 2011
Clinical Pharmacist Royal Medical Services - Amman, Jordan	Jun 2011 to Current
Critical Care Clinical Pharmacist Royal Medical Services - Amman, Jordan	Aug 2011 to Dec 2013
Nephrology Clinical Pharmacist Royal Medical Services - Amman, Jordan	Jan 2014 to Jan 2016
Teacher Assistant Of Pharm-D students Jordan University - Pharmacy School - Amman , Jordan	Feb 2014 to Sep 2014
Clinical Pharmacist Residency Program Preceptor Royal Medical Services - Amman, Jordan	Jun 2012 to Sep 2022
Clinical Pharmacy Residency Board Examiner Royal Medical Services - Amman , Jordan	Jan 2017 to Current
Teacher Assistant Of Pharm-D students Jordan University Of science and Technology - Irbid, Jordan	Feb 2021 to Jul 2023
Teacher Assistant - Nurse Students Prince Muna College Of Nurse - Mutah University - Amman , Jordan	Feb 2022 to Jun 2022
Head Of Clinical Pharmacy Unit Royal Medical Services - Amman, Jordan	Jan 2023 to Current
Course Coordinator and Lecturer Of GCCP Royal Medical Services - Amman, Jordan	Jan 2023 to Current
Course coordinator and lecturer Of Research Method Royal Medical Services - Amman , Jordan	Jan 2024 to Current
Member Of Pharmacy & Therapeutic Committee Royal Medical Services - Amman , Jordan	Nov 2022 to Current
Member Of Ethical Approval Committee Of Research Royal Medical Services - Amman, Jordan	Oct 2022 to Current

Skills

Excellent communication skills (written and verbal)
Excellent team working
Attention to Details
Work under Pressure , Flexibility ,
Adaptability and Dependability

Analytic Skills
Able to Motivate Others
Profound Ability to Multi-task
Collaboration skills

Education

Master Of Clinical Pharmacy, Clinical Pharmacy Jordan University Of Science and Technology - Irbid	2011
Bachelor of Pharmacy Science, Pharmacy The University Of Jordan - Amman	2000

Accomplishments

Attending many local and international medical conferences as attendance and speaker
Publishing more than 20 articles in many international qualified journals

- **Effect of statin therapy on vaspin levels in type 2 diabetic patients**

Clinical pharmacology : advances and applications

- **Depressive symptoms and clustering of cardiovascular disease risk factors in diabetes patients**

International Journal of Diabetes in Developing Countries

- **Induction of Diabetes Mellitus in Rats Using Intraperitoneal Streptozotocin: A Comparison between 2 Strains of Rats**

European Journal of Scientific Research

- **The Clinical Advantages of High Dose Meropenem/Tigecycline Combination versus Tigecycline Monotherapy against Carbapenem Resistant Enetrobacteriaceae in Septic Critically Ill Patients Who are Not Candidate to Colistimethate Sodium**

International Research Journal of Pharmacy and Medical Sciences

- **The Nutritional Impacts of Using Ketamine InfusionAdjunctively For Mitigation Hemodynamics andConstipation Negative Impacts of Morphine in SepticMechanically Ventillated Critically Ill Patients**

International Research Journal of Pharmacy and Medical Sciences

- **Study of vitamin b12 deficiency and its relation with metformin treatment among diabetics in prince rashid hospital**

European Scientific Journal September 2015 edition vol.11, No.27 ISSN: 1857 - 7881 (Print) e - ISSN 1857- 7431

- **Synergistic activity comparison between colistin/tigecycline and colistin/high dose meropenem against carbapenem resistant enetrobacteriaceae in critically ill patients with ventilator associated pneumoniae**

International Research Journal of Pharmacy and Medical Sciences ISSN (Online): 2581-3277

- **The impact of treatment with metformin on diabetic foot ulcer among diabetic patients visiting jordanian royal medical services**

Indian Research Journal of Pharmacy and Science DOI:10.21276/irjps.2017.4.2.9

- **Simvastatin treatment ameliorates diabetic type 2 conditions through lowering the concentration of plasma ICAM levels**

European Scientific Journal August 2015 edition vol.11, No.24 ISSN: 1857 - 7881 (Print) e - ISSN 1857- 7431

- **Frequency of blood groups among a sample of patients with renal failure at royal medical services**

European Scientific Journal Vol 11 No 33 (2015): ESJ November Edition

- **Designing An Intervention Program To Control Glucose Level In Intensive Care Unit (ICU) In King Hussein Medical Center, Royal Medical Services**

European Scientific Journal June 2016 edition vol.12, No.18 ISSN: 1857 - 7881 (Print) e -

ISSN 1857- 7431

- **Hematological and biochemical findings among jordanian patient with end stage renal disease**

European Scientific Journal January 2015 edition vol.11, No.3 ISSN: 1857 - 7881 (Print) e - ISSN 1857- 7431

- **Studying The Prevalence Of Achieving Therapeutic Goals Of Diabetes Treatment Among Diabetic Patients In Royal Medical Services**

European Scientific Journal January 2016 edition vol.12, No.3 ISSN: 1857 - 7881 (Print) e - ISSN 1857- 7431

- **The Correlation Between Early Protein Density Provision and 28-DAY Overall Mortality in Critically Ill Patients Who Are Taking Standard Enteral Nutritional Formulas**

Indian Research Journal of Pharmacy and Science 5(4):1710-1717

DOI:10.21276/irjps.2018.5.4.10

- **Risk of Constipation with Calcium Carbonate/Magnesium Carbonate Combination Chewable Tablets Versus Calcium Carbonate Tablets in Hemodialysis Patients**

Indian Research Journal of Pharmacy and Science 2018

- **Percentage changes in albumin level during first week of admission as a predictor of 28-day mortality in critically ill patients who are taking intravenous human albumin**

Indian Research Journal of Pharmacy and Science 5(4):1693-1700

DOI:10.21276/irjps.2018.5.4.8

- **Appetizing effect of calcium carbonate/magnesium carbonate combination chewable tablets compared with calcium carbonate tablets in hemodialysis patients**

Ind Res J Pharm & Sci 2018: Dec.: 5 (4)

- **The impact of metformin treatment in glaucoma of diabetic patients the influence of metformin treatment on liver function of diabetic patients attending jordanian royal medical city**

Ind Res J Pharm & Sci|2017: June.: 4 (2)Suppl.

- **Desferrioxamine Continuous Infusion with Adjunctive Packed Red Blood Cells as an “Iron Overload-Hyperoxidative Status-Radical Storm” Management Strategy in Late Stage Covid-19**

EAS Journal of Anaesthesiology and Critical Care

- **The Potential Role of Azithromycin Once Weekly as a Novel Prophylaxis in Ambulatory People Who are at High Risk for Covid-19 Infection**

EAS Journal of Parasitology and Infectious Diseases

- **Minocycline in Combination With/Without Azithromycin as a Potential Treatment in Covid-19 Suspected or Infected Patients**

EAS Journal of Parasitology and Infectious Diseases

- **The Potential Role of Arginine/Glutamine/Zinc/Copper as a Supplemental Immuno-Enhancing Nutrients In Suspected/Infected Sacs-Cov-2 Patients**

EAS Journal of Parasitology and Infectious Diseases

- **The Clinical Impacts of Adjunctive High Dose Meropenem Against Colistin-Sensitive/Carbapenem-Resistant Enetrobacteriaceae In Septic Critically Ill Patients**

EAS Journal of Parasitology and Infectious Diseases

- **Non-Nutritional Sodium and Carbapenems Associated Hypernatraemia Significance in Infected Mal-Nourished Patients Who Are On Parenteral Nutrition Support**

EAS Journal of Anaesthesiology and Critical Care
