PROFESSIONAL PROFILE

Registered Nurse and Bachelor of Nursing graduate from Al al-Bayt University (2020), with over three years of clinical experience at King Hussein Cancer Center (KHCC)—a leading oncology center in the region and a Magnet® recognized hospital, reflecting excellence in nursing practice and patient outcomes. Experienced in Emergency Nursing and Medical-Surgical Oncology, including safe chemotherapy administration, management of complex medical conditions, patient-centered care, and evidence-based practice. Currently pursuing a Master's degree in Maternal and Neonatal Health Nursing at Jordan University of Science and Technology. Recently appointed as a Full-Time Academic Lecturer at the Technical College at Jadara University, where she delivers theoretical lectures and practical laboratory sessions for associate nursing students.
