

Sara Batayneh

Nursing Lecturer, RN, BSN, MSN

Irbid, Jordan

s.batayneh@jadara.edu.jo

Experience

Full-Time Lecturer Jadara University

Oct 2025 – Present

- Taught courses such as Foundation of Nursing (Theory), Adult Health Nursing I (Clinical), and Ethics and Laws in Healthcare Professions to undergraduate nursing students through face-to-face and blended instruction.
- Served as Course Coordinator, including syllabus preparation in accordance with the approved curriculum and institutional standards.
- Utilized Moodle and Microsoft Teams to manage course content, communication, and academic activities.
- Prepared the course portfolio, including assessment and course evaluation reports, in line with institutional quality assurance and accreditation requirements.

ICU Registered Nurse

Dec 2020 – Oct 2025

Jordanian Royal Medical Services | Al-Hussein Medical City

- Provided critical nursing care to a busy 37-bed ICU unit.
- Performed initial, comprehensive, and ongoing assessments to identify patient needs, support early recognition of complications, and prevent deterioration.
- Provided evidence-based interventions for patients requiring ventilation hemodynamic, and neurological monitoring.
- Participated in emergency codes and rapid response situations, performing advanced life support interventions.
- Provided orientation for new ICU nurses and education for patients and families to ensure safe care of critically ill patients.

Postgraduate-Level Experience (During Master's) Jordan University of Science and Technology

Oct 2023 – Jun 2025

- Delivered weekly lectures each semester on topics related to Acute Adult Health Nursing, Advanced Health Assessment, Pathophysiology, and Pharmacology.
- Created Innovative Lecture presentations using non-traditional methods that capture attention and enhance active learning.
- Gained proficiency in academic research skills and data analysis using statistical software (such as SPSS).
